A high-angle photograph of a rustic wooden table with a blue cushion on a light-colored tiled patio. The table is made of weathered, greyish-brown wood planks. A blue cushion with a subtle pattern is placed on the left side of the table. The patio is composed of large, light-colored square tiles with dark grout. In the top left corner, there is a patch of green grass. The shadows of a plant are cast onto the tiles, creating a pattern of dark lines. The overall scene is bright and sunny.
